LANGUAGE RIGHTS

Access to information, services and knowledge in Kiswahili.

LANGUAGE QUALITY

Translation, proofreading and localization of technology content into Kiswahili.

DIGITAL EDUCATION

Account security, passwords, MFA, privacy and safe online habits in Kiswahili.

KISWAHILI FIRST. TECHNOLOGY FOR EVERYONE.

Kiswahili is central to my advocacy. I advance language rights, translation quality, and accessible digital safety and privacy education for communities.

EXPERIENCE & LEADERSHIP

2022-Present | Founder

Akili na Wakati Limited. Founded as a web services business; repositioned in 2026 toward digital safety, privacy and Kiswahili-first education.

2026-Present | Volunteer Translator & Proofreader

Proton Localization Community. Kiswahili translation, review and proofreading across multiple Proton projects.

Sep 2026-Present | Chairperson

Masjid Hudah – Kichaka Mkwaju Committee. Community leadership and coordination.

Owner | Halalan Thayyiban

Registered livestock trading business in Kenya.
